Support a Vet by Remembering a Vet

- This is an opportunity for a donor to support Villages Honor Flight and the future veterans who fly to Washington DC, by honoring a veteran, living or deceased, who was a significant person in their life. This 18" X 24" sign, personalized with the veterans name will be placed along the "Walk of Veterans" leading up to the Hill of Ceremony where the Opening Ceremonies of the Villages Honor Flight Golf Outing will be conducted.

- For a \$30 donation (tax deductible) donors designate the name a vet to be honored and have it printed on an 18"x24" sign. If the designated vet is deceased the sign would read "in Memory of" in a gold field, above the name of the vet.
- The donors' name will be displayed below the name of the vet.
