Account messages

Remember, any charges above your credit limit **MUST BE PAID IN FULL** by your statement's payment due date.

Please be sure to pay on time. If you submit your payment by mail, we suggest you mail it no later than 01/25/2017 to allow enough time for regular mail to reach us.

About Interest Charges

How We Calculate Interest. We calculate it separately for each balance shown in the Interest Charge Calculation table. We use the **daily balance method (including new transactions)**. We figure the interest charge by multiplying the daily balance by its daily periodic rate each day in the billing period. To get a daily balance, we take the balance at the end of the previous day, add the interest on the previous day's balance and new charges, subtract new credits or payments, and make adjustments. The Balance Subject to Interest Rate is the average of the daily balances.

Minimum Interest Charge. If a minimum interest charge applies to your account, it will be at least \$0.50.

How to Avoid Paying Interest on Purchases. Your due date is at least 23 days after the close of each billing period. We will not charge you any interest on purchases if you pay your New Balance by the due date each month. This is called a grace period on purchases. If you do not pay the New Balance in full by the due date, you will not get a grace period on purchases until you pay the New Balance in full for two billing periods in a row. We will begin charging interest on cash advances and balance transfers on the transaction date.

Your Rights

What To Do If You Find A Mistake On Your Statement.

If you think there is an error on your statement, visit us online at the url above or write to the Customer Service address shown on the front. In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases.

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us online or in writing at the Customer Service address shown on front of statement.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Notification of Disputed Item. You can file a billing dispute or check the status of an existing dispute online at the url above. You can also check the status of an existing billing dispute by contacting the customer service number on the top of this page.
